

****IMPORTANT DISCLAIMER****

Your purchase of a new illuminated sign from Insignia requires action steps from you.

- 1) A designated 30amp/120volt circuit needs to be installed, originating at the existing electrical panel & ran to a new 4"x4" junction box within 5 feet of the new illuminated sign. This junction box should be labeled "sign" in addition to the breaker number, Insignia will connect to this electrical J-Box.
- 2) A 7-Day Astronomical timer needs to be installed near the existing electrical panel and clearly labeled "sign" along with the breaker number being labeled. Insignia can supply you with the correct labels needed.
- 3) A photo cell may be installed remotely (on roof or near sign). If a photo cell is not required by the city a cut-off switch will be provided by Insignia at the sign location (toggle/ knife/ blade switch). If you desire a photo cell, Insignia can install one for \$_____

The above work should be performed by a licensed C-10 electrical professional, as required by the NEC (National Electrical Code). These items are required and are your responsibility. Insignia can provide the above services for additional costs based on field conditions & accessibility. Please notify us if you require assistance with these requirements.

Junction Box

By Signing below I am agreeing that I understand that it is my responsibility to provide a designated 30 amp circuit housed in a 4"x4" J-Box within 5 feet of the sign location.

- I/My licensed professional will perform this work.
- Insignia will perform this work at an additional cost to me.

CUSTOMER SIGNATURE: _____ DATE _____

By signing this you the customer are agreeing that you have read and understand the stated requirements in the disclaimer and are responsible for any and all charges incurred for return trips and/or an improperly installed electrical supply to the sign or timer at the location of installation.

7 Day Timer

By Signing below I am agreeing that I understand that it is my responsibility to provide a 7-Day Astronomical timer prior to sign installation.
